

# It's time to gear up for the Marjorie Cup!!

March 23, 2007 at Rumbalara Football Ground

Dust off your hamstrings  
and pull on your footy boots for  
the annual match between kids  
with diabetes and hospital staff

The shooters are looking to maintain their champion status but the bloods are keen for a win! We are looking for guys and girls to be on our footy teams

**N.B. Bloods** - Captain Cobba Briggs will be running training sessions this year! He knows this is a fun match but 2 losses are enough and pride is on the line! So break out the deep heat and contact Cobba on 0409131791 or either ext 22450/22967 for more info.

There are all sorts of ways to join in the fun, we need help on the organising committee, children to race in the half time dash and volunteers to help with all the other stuff - runners, training, umpires, medical assistance, scorers, cheer squad, catering etc. And the good news - no ability required - yahoo!

If you can help contact the Diabetes Centre on ph 58 323100 or email [rhonda.marino@gvhealth.org.au](mailto:rhonda.marino@gvhealth.org.au) to register your interest. See the website for more information on the Marjorie Cup at [...www.diabetes.humehealth.com.au](http://www.diabetes.humehealth.com.au)
